**By Paul Strathern : The Medici: Godfathers of the Renaissance** editors note this website was modified on june 2 2004 the goal of this website is to educate people about the medici and their seminal contributions jul 24 2012nbsp;from a small italian community in 15th century florence the medici family would rise to rule europe in many

ways using charm patronage skill duplicity The Medici: Godfathers of the Renaissance:

4 of 4 review helpful Far Reaching By spin\_glass I ve read a work by this author before similarly on the Renaissance period and find that he makes the history very accessible The Medici influence reached far beyond Florence both in time we enjoy the effects of their patronage now and in space it was a Medici pope that Henry VIII had to deal with The book is thorough with out being over bearing I recommend it to anyone Vivid and dramatic this is a dazzling history of the modest family which rose to become one of the most powerful in Europe The Medici is a remarkably modern story of power money and ambition Against the background of an age which saw the rebirth of ancient and classical learning Paul Strathern explores the intensely dramatic rise and fall of the Medici family in Florence as well as the Italian Renaissance which they did so much to sponsor and enco An excellent history an entertaining if ultimately dispiriting tale of the rise and fall of an ambitious banking family Ian Thomson Sunday Times Strathern has done his research thoroughly and tells a good story well Sunday Telegraph A great overvie
