0 of 0 review helpful Four Stars By Customer The book was in good condition 19 of 20 review helpful Art Book By Pierre This was my first introduction to the art historian world and it was fascinating Unfortunately but only for me is the fact that both my educational level and acquired knowledge of the subject were insufficiently advanced to fully appreciate the auth Serving as both an introduction to fifteenth century Italian painting and as a text on how to interpret social history from the style of pictures in a given historical period this new edition to Baxandall s pre eminent scholarly volume examines early Renaissance painting and explains how the style of painting in any society reflects the visual skills and habits that evolve out of daily life Renaissance painting for example mirrors the experience of such activities
