monumental inscriptions family trees and pedigrees wills and village information all German and Scandinavian Protestantism 1700-1918 (Oxford History of the Christian Church):

This book is the first history in English of the Lutheran Church in Germany and Scandinavia from 1700 to the end of the First World War. It details how the social and political upheaval of the period challenged the structure and ethos of the Reformation churches and how Protestantism evolved to meet these profound challenges. A fine book which breaks new ground and brings insight and order to this multifaceted religious tradition. Choice. This work can be highly commended as an informative work of reference and a thoughtful analysis of the Protestant place in modern
