By Henrik Meinander : History of Finland origin of finland suomi finland 9000 10000 years ago finland 8000 years ago finland 7000 1300 years ago ancient religion of finns finland 5000 years in the earliest historical sources from the 12th and 13th centuries the term finland refers to the coastal region around turku from perni to uusikaupunki

History of Finland:

0 of 0 review helpful A strong and concise history By John E Mack Finnish history is a bit odd because Finland is a recent creation while the Finns have been inhabiting their homeland since the Neolithic. Hence so much of Finnish history is Swedish history and Russian history. Meinander's history is relatively short probably because the history of independent Finland is relatively short. But his analysis of Finland Henrik Meinander paints a brisk and bold picture of the history of Finland from integrated part of the Swedish kingdom to autonomous Grand Duchy within the Russian empire gradually transformed and maturing into a conscious nation independent state and skilful adapter of modern technology. The main geographical context for his study is the Baltic region and the author links his analysis to structural developments and turning points in European history. The book blends this volume goes well beyond the chiefly political analysis and includes substantial information on literary philosophical musical linguistic pedagogical and general cultural topics providing a deeper and more nuanced overview of the Finns from pre
