In Painting as Medicine in Early Modern Rome Frances Gage undertakes an in depth study of the writings of the physician and art critic Giulio Mancini Using Mancini's unpublished treatises as well as contemporary documents Gage demonstrates that in the early modern world belief in the transformational power of images was not limited to

cult images as has often been assumed but applied to secular ones as well. This important new interpretation of the value of images and the ldquo Many scholars have noted the originality and value of the papal physician Giulio Mancini's writings as a source for artists and artistic thinking in seventeenth century Rome but Frances Gage is the first to devote attention to his therapeutic and hist
