Nuns Behaving Badly: Tales of Music, Magic, Art, and Arson in the Convents of Italy:

0 of 1 review helpful A sometimes interesting book about the activity of Nuns in the Convents By Joseph J Truncale This is a book that was an okay read Some of the chapters were interesting about the activities of Nuns in convents however this was not an easy book to read because of the very small type Nuns Behaving Badly by Craig A Monson was published some time ago and to be honest I did not find it to be a comp Witchcraft Arson Going AWOL Some nuns in sixteenth and seventeenth century Italy strayed far from the paradigms of monastic life Cloistered in convents subjected to stifling hierarchy repressed and occasionally persecuted by their male superiors these women circumvented authority in sometimes extraordinary ways But tales of their transgressions have long been buried in the Vatican Secret Archive That is until now In Nuns Behaving Badly ldquo Nuns Behaving Badly wears its learning with a smile but it throws a sharp light into dark Roman Catholic corners rdquo The Economist ldquo Don rsquo t miss lsquo Spinsters Silkworms and a Flight in Flagrante rsq
