0 of 3 review helpful Fair By Delia McGinnis It was somewhat interesting but not exactly what I what I was expecting

I lost interest about a third of the way through it. A more detailed description of the content would be helpful in determining whether to select this book. 0 of 0 review helpful excellent book that teaches you a lot about how traditions. By Dan L. Massimo Montanari draws readers into the far flung story of how local and global influences came to flavor Italian identity. The fusion of ancient Roman cuisine which consisted of bread, wine and olives with the barbarian diet rooted in bread, milk and meat first formed the basics of modern eating across Europe. From there, Montanari highlights the importance of the Italian city in the development of gastronomic taste in the Middle Ages, the role of Arab trader. From Booklist: Pasta is of Arab origin and tomatoes of American roots but the two are distinctly identified with Italian cuisine. How did that happen? Medieval scholar Montanari explores all the factors of history.
