1 of 1 review helpful Interesting and Fun By andrew review I love Shawn Levy's books and this one is no exception Exploring Rome's cultural explosion of fashion, film, and excess through the prism of the paparazzi produces a fascinating glimpse into the recent past and explains a little how we got where we are now. Mini biographies of Fellini, Loren, and Pucci are delightful. Highly recommended. 4 of 5 review helpful A romp through the worlds of film, fashion, and titillating journalism that made 1950s Rome the sexiest city on the planet. From the ashes of World War II, Rome was reborn as the epicenter of film, fashion, creative energy, tabloid media, and bold-faced libertinism that made it a global synonym for taste, style, and flair. A confluence of cultural contributions created a bright, burning moment in history; it was the heyday of
