**By Maria de Blasio Wilhelm : The Other Italy: The Italian Resistance in World War II** italys role in world war ii was broader and more significant than is usually recognized and this article explores the italian role in north africa

the explore the history of world war ii including pivotal battles milestone events and cultural figures only on history  
The Other Italy: The Italian Resistance in World War II:

0 of 0 review helpful An informative book on the Italian partisan movement By Raphael A Riccio This is a nicely organized and well written book about selected aspects of the Italian partisan movement in late WWII It seems to be very well researched and is certainly well presented Maria de Blasio has a real talent for writing Too bad her son Bill the mayor of New York isn t as smart as she is 0 of 0 review helpf A story of courage sacrifice and individual heroism a noble episode in the history of a great people The story of the underground battle of the Italians against the Nazis and Fascisti largely unknown outside Italy was unlike the French Resistance a spontaneous city by city region by region uprising This book traces the the growth of the wartime Resistance from its birth in 1943 against overwhelming odds to its dramatic triumph two yea From Publishers Weekly The Italian resistance began as a spontaneous uprising against both Nazi occupiers and native fascists after Italy s unconditional surrender to the Allies on September 8 1943 Unwilling to wait for the arrival of the Allied armies civili
