38 of 39 review helpful A Familiar View of an Unfamiliar Locale By Rob Hardy Given that much of the lives of us

relatively wealthy people is devoted to finding things to buy and then buying them it is fun to find out how people of different ages and places arranged financial transactions to keep their lives going It s no surprise that they did a lot differently in Italy five hundred years ago and not much of a surprise Shopping was as important in the Renaissance as it is today This fascinating and original book breaks new ground in the area of Renaissance material culture focusing on the marketplace and such related topics as middle class to courtly consumption the provision of foodstuffs and the acquisition of antiquities and holy relics The book investigates how men and women of different social classes went to the streets squares and shops to buy goods they needed and To reconstruct the activity of shopping in the Renaissance Welch deploys an extraordinarily wide range of material Her valuable book offers the reader an acute insight into the origins of our present day consumer culture RA Magazine outstanding wri
