Cathedrals and civic palaces stand to this day as symbols of the dynamism and creativity of the city states that flourished in Italy during the Middle Ages Markets and Marketplaces in Medieval Italy argues that the bustling yet

impermanent sites of markets played an equally significant role not only in the economic life of the Italian communes but in their political social and cultural life as well Drawing on a range of evidence from cities and towns ac About the Author Dennis Romano is the Dr Walter G Montgomery and Marian Gruber Professor of History and a professor in the Department of Art and Music Histories at Syracuse University nbsp
