kerr guida The Jews of San Nicandro:

0 of 0 review helpful The book was very good and interesting By Marian Atkinson I purchased this book having seen a documentary on CBC about the San Nicandro Jews The book was very good and interesting It provided me with some information that differed from that documentary I think putting the two together provides a broader view of the story but then one has to keep in mind that the book sparked further research wh Not many people know of the utterly extraordinary events that took place in a humble southern Italian town in the first half of the twentieth century mdash and those who do have struggled to explain them In the late 1920s a crippled shoemaker had a vision where God called upon him to bring the Jewish faith to this ldquo dark corner rdquo in the Catholic heartlands despite his having had no prior contact with Judaism itself By 1938 about a dozen families had con Davis has infused this historical episode as well as the question Who is a Jew with larger meaning Forward
