By Neil Price : The Vikings (Peoples of the Ancient World) smithsonian archeologist william fitzhugh reveals what drove the vikings on their adventures to distant shores pre columbian murals and norse sagas suggest vikings met the aztecs and the outcome was not pretty read the article on one page The Vikings (Peoples of the Ancient World):

The Vikings provides a concise but comprehensive introduction to the complex world of the early medieval Scandinavians. In the space of less than 300 years from the late eighth to the late eleventh centuries CE people from what are now Norway, Sweden and Denmark left their homelands in unprecedented numbers to travel across the then known world. Over the last half century archaeology and its related disciplines have radically altered our understanding of this. About the Author: Neil Price is Professor of Archaeology at the University of Aberdeen, Scotland. A leading specialist on the Vikings and ancient religion, he is the author of *The Vikings in Brittany* (1989) and *The Viking Way* (2002), co-editor of *T*
