5 of 6 review helpful Very good reference despite errors By Spence the Elder Encyclopedia of the Viking Age by John

Haywood I wish I had bought this book when it first came out As a quick historical reference guide to the people places and things of the Viking era this work is an invaluable asset Being a thousand years or so removed from the period I have in the past had no small amount of trouble keeping This work uncovers the fascinating history of the Vikings at both peace and war Over 400 lavishly illustrated articles examine all aspects of Viking society including its history laws and customs industry and arts and literature From Booklist Haywood's attractive encyclopedia on the Vikings is that rarity a satisfying reference source done right The book is modestly sized and priced but packed with information From the preface and intr
