50 of 51 review helpful A wonderful translation crippled by cowardice By Todd Ellner I ve been reading through and trying out a number of the recipes from The Art of Cooking Parzen and his collaborators are to be congratulated for translating this important work I find myself somewhat puzzled and a bit unhappy at some of the recipes The value of

this work is that it showcases the flavors and techniques of another era It Maestro Martino of Como has been called the first celebrity chef and his extraordinary treatise on Renaissance cookery The Art of Cooking is the first known culinary guide to specify ingredients cooking times and techniques utensils and amounts This vibrant document is also essential to understanding the forms of conviviality developed in Central Italy during the Renaissance as well as their sociopolitical implications In addition to the original text From Publishers Weekly In his informative if ponderous introduction Ballerini offers a window into the life of 15th century culinary whiz Maestro Martino who is credited by most scholars to be the father of modern Italian cookery As a chef to one of Milan's
