The Medici controlled fifteenth century Florence Other Italian rulers treated Lorenzo the Magnificent 1449 – 1492 as an equal To his close associates he was ‘the boss’ master of the workshop But

Lorenzo liked to say that he was just another Florentine citizen. Were the Medici like the kings, princes and despots of contemporary Italy? Or were they just powerful citizens? The *Medici Citizens and Masters* offers a novel comparison. A major collection of essays by twenty-two scholars in the field... The editors Robert Black in particular do a superb job of highlighting the volume's brief. *Lauro Martines* Times Literary Supplement 2016 07 20
