By Christopher Hibbert : The House of Medici: Its Rise and Fall lucidcafs profile of lorenzo de medicilorenzo the

magnificent misuse of religious power the start of the catholic religion is covered in christianity steps into power vacuum after the collapse of the roman empire the pope The House of Medici: Its Rise and Fall:

1 of 1 review helpful I was expecting the storytelling to actually provide details about By Jenny I was expecting the storytelling to actually provide details about what drove the Medici to power and what was there downfall Also there are no facts presented about the family business other than dates and facts about public records It s an ok introduction if you want to learn more about the Medici family and importan At its height Renaissance Florence was a centre of enormous wealth power and influence A republican city state funded by trade and banking its often bloody political scene was dominated by rich mercantile families the most famous of which were the Medici This enthralling book charts the family rsquo s huge influence on the political economic and cultural history of Florence Beginning in the early 1430s with the rise of the dynasty under the near legendary Cosimo d A superb introduction to the history and arts created by one man s greed Books for Breakfast About the Author Christopher Hibbert an Oxford graduate has written more than fifty books including Wellington A Pe
