By Niccolò Machiavelli : Florentine Histories history of banking including religion and banking the lombards and florence history of the medici including merchant princes pater patriae florence city of learning lorenzo the

magnificent piero and exile the medici and tuscany Florentine Histories:

0 of 0 review helpful Relearning History By hotrodsy After finally finding the time to read Machiavelli's The Prince and listening to an online course on Machiavelli I got hooked into the life and history of Florence and Italy I find the history of the city states of Italy quite interesting with the background of the Church influence affecting the life of the whole of Europe So now I am into the Discourses of Livy The description for this book Florentine Histories will be forthcoming This translation of Machiavelli's thoughts on his native city is meant to be less colloquial and closer to the original than the typical translation This highlights how Machiavelli used words and thought differently from us Machiavelli is too
