from the feminine *vk* meaning 'creek inlet' small bay; various theories have been offered that the word *viking* may be derived from The Vikings:

3 of 3 review helpful A lovely little book By A Customer Dr Wooding's brief account of the Vikings is as attractive as it is useful. The work is intended for anyone curious about the infamous medieval raiders and yet introduces the reader to some of the most important debates about the Vikings. Why did they come? Why were they so successful? What were they really like? What did they contribute to European society and Feared pirates intrepid navigators skilled craftsmen these are the bold Vikings who erupted into history at the end of the eighth century and forged the destiny of nations. The Vikings reveals the lives of ordinary people living in these extraordinary times the beautiful jewelry they crafted and charming toys for their children the early pagan sacrifices including human sacrifice the mysterious runes the written language of the Vikings and so on. About the Author Dr Jonathan Wooding is an historian and archeologist specializing in the social economic and technological history of the Germanic and Celtic peoples in the early Middle Ages. He obtained his PhD from the University of Sydney and
