12 of 13 review helpful Not quite what I expected but good nonetheless By Diana I bought this book because my Sicilian immigrant ancestors were living on Elizabeth Street in New Jersey This book of course is not about them specifically nor their location it refers to the tenement housing in New York which had a very high percentage if not exclusive of Sicilian residents It tells their story the story of For many immigrants the move from Sicily to a New York tenement was accompanied by rapid significant and often surprisingly satisfactory changes in a wide variety of social relationships Many of these changes can be traced to the influence of a changing housing environment From Sicily to Elizabeth Street analyzes the relationship of environment to social behavior It revises our understanding of the Italian American family and challenges existing not About the Author Donna R Gabaccia is Assistant Professor of History and Political Science at Mercy College Dobbs Ferry New York
