1 of 1 review helpful This dude sucks but his book is good By Customer As a figure in social politics in Renaissance Italy Alberti is a pompous chauvanistic windbag on par with Cato the Elder And indeed his work in many ways resembles Cato s On Farming being a manual for running a household written by a man who could not have been more disconnected from that activity But as a window into Florentine daily life and trad A classic of Italian literature The chief merit of this work lies in its scope it directly assays the personal value system of the Florentine bourgeois class which did so much to foster the development of art literature and science It displays a variety of high styles high rhetoric systematic moral exposition novelistic portrayal of character in the typical Renaissance framework of the dialogue The treatise in its entirety shows a Florentine paterfamilias and Language Notes Text English translation Original Language Italian From the Publisher Titles of related interest from Waveland Press Alberti trans Watkins The Family in Renaissance Florence Books One through Four
