major aspects of Hegel's work and a detailed study of the philosophy of right The Nordic States and European Unity (Cornell Studies in Political Economy):

The idea of European unity which the Nordic states have historically resisted has recently become the foremost concern of Sweden Denmark Norway Iceland and Finland Christine Ingebritsen provides a timely analysis of Nordic economic and security policies in the wake of the vast transformation of regional politics between 1985 and 1995 The Nordic States and European Unity addresses two central questions Why did all five Nordic states trade autonomy for integration A convincing argument that brings together insights into domestic politics and an understanding of the international situation Christine Ingebritsen is one of the American political scientists who understands the nature of the Nordic region and this ab
