and history the social history of rome by gza alfldy 1988 paperback reprint shop with confidence on ebay The Social History of Rome (Ancient Society and History):

5 of 5 review helpful The Companion to the Entire Roman Catalogue By Eric Gannon This book was amazing in its sweeping analysis of what was really going on in the Roman world The author does not get bogged down with too many names and dates Instead the author uses lots of names only not of persons but of societal groupings legal relationships economic terms personal relationships ideologies and political This book treats such topics as the structure of archaic Roman society social changes from the beginning of Roman expansion to the Second Punic War slave uprisings and other conflicts in the society of the Late Republic the social system of the early Empire the crisis of the Roman Empire and late Roman society to the fall of the Empire
