In a work based on a meticulous analysis of sources many of them previously unexplored Catherine M Mooney upends the received account of Clare of Assisi's founding of the Order of San Damiano or Poor Clares Mooney offers instead a stark counternarrative Clare and her sisters of San Damiano and their allies struggled against a papal program bent on regimenting enriching and enclosing religious women in the thirteenth century a program that proved largely successful. This book is absolutely needed for its depiction of Clare not as a woman destined to be the founder of the Order of San Damiano but as a woman caught in the middle of a struggle between the papacy and the larger grassroots reform movement of the vita apostolica.
