**From Brand: University of Pennsylvania Press : The Earthly Republic: Italian Humanists on Government and Society**

a biography of the life of edward gibbon historian author of the decline and fall of the roman empire title length color rating description of humanism greek culture beautifully realized in great detail right down to the veins on the back of the hand The Earthly Republic: Italian Humanists on Government and Society:

0 of 0 review helpful Edifying but slow reading primary texts on Humanist Renaissance Italy worth pursuing By Mark K Rempel It is hard to sum up this book other than the obvious that it has six previously untranslated articles on humanism dating from the Italian Renaissance of the 14th and 15th centuries It had been assigned to an undergraduate course on Renaissance Florence history at a state university The introduction stresses The gradual secularization of European society and culture is often said to characterize the development of the modern world and the early Italian humanists played a pioneering role in this process Here Benjamin G Kohl and Ronald G Witt with Elizabeth B Welles have edited and translated seven primary texts that shed important light on the subject of civic humanism in the Renaissance Included is a treatise of Francesco Petrarca on government two treatises An enlightening and stimulating source book and as good an introduction to Renaissance humanism as one can find mdash Speculum About the Author Edited by Benjamin G Kohl and Ronald G Witt
