Dino Compagni's Chronicle of Florence (The Middle Ages Series):

0 of 0 review helpful Compagni and Villani By Customer Superb rendering of one of the two most important

Florentine chronicles of the period of the beginning of Dante's exile. The other is that of Giovanni Villani less focused and more partisan than Villani. Dino Campagni's classic chronicle gives a detailed account of a crucial period in the history of Florence beginning about 1280 and ending in the first decade of the fourteenth century. During that time Florence was one of the largest cities in Europe and a center of commerce and culture. Its gold florin was the standard international currency. Giotto was revolutionizing the art of painting. Dante Alighieri and Guido Cavalcanti were transforming the vernacular love ly. It is good to have this fascinating little chronicle which gives a lively firsthand account of Florentine history in the lifetime of Dante and Giotto in a readable and scholarly English translation backed by a historical introduction mdash.
