By Spencer M. DiScala : Italy: From Revolution to Republic, 1700 to the Present, Fourth Edition albania is a unitary parliamentary constitutional republic with the capital in tirana the countrys largest city and main economic and

commercial centre followed by Spain and Portugal 718 AD present Spain unlike Britain never fell outside of history after the collapse of the Western Empire which gives us a continuous record Italy: From Revolution to Republic, 1700 to the Present, Fourth Edition:

1 of 1 review helpful Good up to WW2 tendentious from then on and kinda sloppy By Greg Taylor Kindle review This book has been fairly well kindled with some important exceptions The footnotes work well going back and forth The maps are fairly useless unless you look at them on your PC or you have far better eyes than mine There are plenty of data tables which are inserted in the text more or less where they This essential book fills a serious gap in the field by synthesizing modern Italian history and placing it in a fully European context Emphasizing globalization Italy traces the country's transformation from a land of emigration to one of immigration and its growing cultural importance Including coverage of the April 2008 elections this updated edition offers expanded examinations of contemporary Italy's economic social and cultural development This is simply the best history of modern Italy Students regularly praise it in my course evaluations Spencer Di Scala's prose is crisp his scope comprehensive his analysis lucid and his judgment wise The book's special strengths are political
