**By Deborah Mauskopf Deliyannis : Ravenna in Late Antiquity** this baptistery was built at the end of the 5th century when the arian visigoths ruled italy the dome mosaic shows the baptism of christ with a personification of introduction r avenna is unquestionably celebrated worldwide for its mosaics and this excellence is due the fact that it possesses the worlds richest heritage of Ravenna in Late Antiquity:

0 of 0 review helpful I have been waiting for this book for many years By Daniel J Baxter This is a very significant

book on a subject of great importance written with impressive scholarship and above all great enthusiasm and affection Deliyannis covers every aspect of this amazing city's role in the final act of the late Western Roman Empire the history the people the architecture and the art Although written Ravenna was one of the most important cities of late antique Europe Between 400 and 751 AD it was the residence of western Roman emperors Ostrogothic kings and Byzantine governors of Italy while its bishops and archbishops ranked second only to the popes During this 350 year period the city was progressively enlarged and enriched by remarkable works of art and architecture many of which still survive today Thus Ravenna and its monuments are of critical importance Ravenna in Late Antiquity by Deborah Mauskopf Deliyannis is both a narrative history of the city's ruling elites and a survey of its architectural and artistic treasures treasures worth pausing over The illustrations and diagrams in Ravenna in Late
