The Civilization of the Italian Renaissance brings together a selection of primary source documents designed to introduce students to the richness of the period For this edition a new chapter on Dante and his time provides a useful

transition to the Renaissance from the culture of the Middle Ages There are also new selections on warfare education Florence humanism the Church and the later Renaissance The introductions to the readings are revised and a Kenneth R Bartlett has produced a fine second edition of his already useful sourcebook Reflecting important recent research he has added material on the social economic religious political and intellectual world of Italy from the late thirteenth to the
