By Antonio Mattozzi : Inventing the Pizzeria: A History of Pizza Making in Naples arts and culture food have you ever wondered who invented pizza how long has pizza been around where was the first pizzeria in the united states what is pie pie is what happens when pastry meets filling pie can be closed open small large savory or sweet the basic concept of pies and tarts has changed Inventing the Pizzeria: A History of Pizza Making in Naples:

Pizza is one of the best known and widely exported Italian foods and yet relatively little is known about its origins in the late 18th and early 19th centuries. Myths such as the naming of pizza margherita after the Italian queen abound but little serious scholarly attention has been devoted to the topic. Eschewing exaggerated fables, this book draws a detailed portrait of the difficulties experienced by the then marginalized class of pizza makers rather than the usual This fascinating and erudite history explores the origins of pizza in 18th century Naples, the families who made and sold it, its key ingredients and techniques, and the growth of pizzerias along with the city. It points to pizza's global contemporary popularity.
