By Ian Hughes : Belisarius: The Last Roman General belisarius first landed at sicily which was strategically located between the now roman africa and italy and whose population was well disposed toward the empire as byzantine emperor justinian revived the eastern roman empire he sent his greatest general west to retake rome
Belisarius: The Last Roman General:

3 of 3 review helpful Well done history of Belisarius military exploits By Eusebius This is a serious book but is not a biography of Belisarius It is a military history of Belisarius involvement as a general during Justinian s reign It does not cover in any detail his beginnings and training nor does it tell us what made him the brilliant tactician he was Granted this would be mostly conjecture but Hughes easily c A military history of the campaigns of Belisarius the greatest general of the Eastern Roman Byzantine Emperor Justinian He twice defeated the Persians and reconquered North Africa from the Vandals in a single year at the age of 29 before going on to regain Spain and Italy including Rome briefly from the barbarians It discusses the evolution from classical Roman to Byzantine armies and systems of warfare as well as those of their chief enemies the Persians G competing military systems weapons tactics and leaders and includes considerable background material to help explain the ldquo why rdquo of various political and even strategic decisions Although marred by a lack of footnoting Belisarius is an excelle
