insightful and wildly Casanova: The World of a Seductive Genius:

4 of 5 review helpful uncritical re do By Customer It seems so far I have only read a hundred pages so far and may not continue to be little more than a condensation of and with quotations from Casanova's admittedly lengthy memoir with little critical thinking or newly uncovered information added And it begins on page xvi of the preface with a shocking piece of misinformation that the white masks worn by Venetian The definitive biography of the impoverished child abandoned by his parents who became the famous writer notorious libertine and self invented genius whose name still resonates today Giacomo Casanova Today "Casanova" is a synonym for "great lover" yet the real story of this remarkable figure is little known Giacomo Casanova was raised by his maternal grandmother an illiterate peasant His birthplace Venice was a republic in decline "Casanova" is a brilliant account of the life adventures and tribulations of this 18th century Venetian adventurer and author. To all those who seem to think sex was invented in their lifetime I suggest they take a look back in time and see
