**From Ingramcontent : Caere (Cities of the Etruscans)** ancient italic people any of the peoples diverse in origin language traditions stage of development and territorial extension who inhabited pre roman italy a etruscan etruria the ancient people of etruria are labeled etruscans and their complex culture was centered on numerous city states that rose during the villanovan Caere (Cities of the Etruscans):

The Etruscan city of Caere and eleven other Etruscan city states were among the first urban centers in ancient Italy Roman descriptions of Etruscan cities highlight their wealth beauty and formidable defenses Although Caere left little

written historical record outside of funerary inscriptions its complex story can be deciphered by analyzing surviving material culture including architecture tomb paintings temples sanctuaries and materials such as terracotta Caere manages to put everything an Etruscan scholar ever needed to know about researching Caere into one place and is therefore unique in our field It will become the definitive book on the site of Caere and it is also highly useful as a microc
