**By Laurence Bergreen : Marco Polo: From Venice to Xanadu** marco polo c 1254 venice italy january 8 1324  
venice venetian merchant and adventurer who traveled from europe to asia in 1271 95 remaining in china for 17 marco

polo was an explorer and merchant from venice he was hosted by kublai khan at his palace xanadu and traveled throughout much of asia explore marco polos Marco Polo: From Venice to Xanadu:

0 of 0 review helpful Some interesting parts By Sean I really loved Over the Edge of the World I was engrossed with it the whole time I was reading But Marco Polo is so full of quotes from Polo s own writing I feel like I might as well read the original What I expect history books of this nature to do is tell me what happened and give it context That way I can enjoy history without being a full time historian 2 of 2 As the first European to travel extensively throughout Asia Marco Polo was the earliest bridge between East and West His famous journeys took him across the boundaries of the known world along the dangerous Silk Road and into the court of Kublai Kahn where he won the trust of the most feared and reviled leader of his day Polo introduced the cultural riches of China to Europe spawning centuries of Western fascination with Asia nbsp In this li com Drawing on original writings and walking in the footsteps of Marco Polo himself Laurence Bergreen s Marco Polo From Venice to Xanadu is the most definitive biography of the legendary traveler to date separating the man from his considerable myth
