By Giuseppe Finaldi : Mussolini and Italian Fascism mussolini became active in the italian socialist movement in switzerland working for the paper lavvenire del lavoratore organizing meetings giving speeches to mussolini doctrine of fascism 1932 benito mussolini 1883 1945 started his political life as a socialist and in 1912 was appointed editor of avanti Mussolini and Italian Fascism:

1 of 1 review helpful Mussolini and Italian Fascism By Terry Jennrich The author presents a good summary of

Mussolini's rise to power. In that discussion he addresses the limitations on Mussolini's ability to get things done by a comparison with Hitler's Germany where Hitler had taken over all the levers of power so that there was no institutional mechanism to oppose him. Whereas the King in Italy technically was superior, Fascism was one of the defining experiences of the European 20th Century. Within it many of the economic, political, social and cultural contradictions that had been brewing in the unprecedented transformation that European society underwent in the 19th and early 20th century came to a head. Mussolini, the man who most fashioned Italian Fascism, dramatically expressed the unease and the hopes of his age. To what extent can we compare Mussolini's Italy to Hitler's Germany? From the Back Cover: Mussolini and Italian Fascism. Giuseppe Finaldi. Mussolini and Italian Fascism plots the life of a man and a nation seeking to find a role in a continent wracked by poverty, resentment, conflict and war yet awash with contradiction.
