From Brand: Canadian Scholars Press : Humanism and the Northern Renaissance renaissance humanism the time when the term 'humanism' was first adopted is unknown it is however certain that both italy and the re

adopting of latin letters as humanism is a philosophical and ethical stance that emphasizes the value and agency of human beings individually and collectively and generally prefers critical Humanism and the Northern Renaissance:

This is a selection of primary source documents tracing the development of the culture thought politics and religion of Northern Europe from the Council of Constance to William Harvey's description of the circulation of the blood. The book will prove an excellent reader for any course of Early Modern Europe. Its wide selection of documents covering most of Northern Europe from the late fourteenth to the early seventeenth century will introduce students to the complex. About the Author Kenneth R. Bartlett is Professor of History and Renaissance Studies Victoria College University of Toronto. He is the author of several books. From 1996 to 1998 Professor Bartlett served as the founding director of the University of Toronto A
