By Sandra Benjamin : Sicily: Three Thousand Years of Human History sicily is an autonomous region of italy and the largest island in the mediterranean sea with an area of 9926 square miles 25708 sq km and 5 million inhabitants with the first clause the pope became legally the successor of constantine that is the heir to the roman

empire with the second he was made the absolute head Sicily: Three Thousand Years of Human History:

2 of 2 review helpful Useful reading By Marek The book had all I expected to learn about history of the island with some nice links to the culture and social topics that made me do some more research It is well written and points to valuable sources I would give it 4 5 if possible as it still lacks the mastery of style to be as entertaining as it is informative Good job netherless 2 of 2 review helpful Tourists armchair travelers and historians will all delight in this fluid narrative that can be read straight through dipped into over time or used as a reference guide to each period in Sicily rsquo s fascinating tale Emigration of people from Sicily often overshadows the importance of the people who immigrated to the island through the centuries These have included several who became Sicily rsquo s rulers along with Jews Ligurians and Albanians Greeks R From Publishers Weekly This solid narrative of the Mediterranean island emphasizes how its location has subjected it to one wave of conquest after another Benjamin The World of Benjamin Tudela who has lived in Sicily for the past decade traces Sicili
