By Allen Mawer : The Vikings share thisancientpages king arthur is one of if not the most legendary icons of medieval britain his popularity has lasted centuries mostly thanks to the pre columbian murals and norske sagas suggest vikings met the aztecs and the outcome was not pretty read the article on one page The Vikings:

5 of 5 review helpful The Vikings By Brian Bigelow A lot of information has been presented in one convenient package It will give the reader a fairly thorough overview of the Vikings and Viking society At times though the information has been brought together in a rather dense manner where I had to reread several parts of the book Some of the conjecture has been proven incorrect in excavations that have taken place more This is a concise but comprehensive history of the age of the Vikings Over the centuries the West has become fascinated by the Vikings one of the most mysterious and interesting European civilizations In addition to being perceived as a remarkably unique culture among its European counterparts what rsquo s known and not known about the Vikings rsquo accomplishments has added an intriguing aura to the historical narrative Were they fierce and fearsome warriors Wer
