By F. Marion Crawford : A History of Southern Italy: The Rulers of the South encyclopedia of jewish and israeli history politics and culture with biographies statistics articles and documents on topics from anti semitism to zionism culture of italy history people clothing women beliefs food customs family social ge it A History of Southern Italy: The Rulers of the South:

5 of 5 review helpful This book was written at the turn of the last By Customer Toni This book was written at the turn of the last century I did not know that when I bought the book but it did not detract from story The tale of the various conquerors was fascinating to read The book focused more on Sicily than other parts of Southern Italy so if this is not the area you want you should not buy this book I thi Crawford rsquo s A History of Southern Italy The Rulers of the South is essential reading for anyone interested in the history of southern Italy and Sicily Its over 300 full length chapters start with the southern Italy of antiquity the founding of Greek colonies such as Syracuse and the Gothic Norman Saracen and Byzantine invaders A discussion of the Mafia rsquo s history is included
