In America the streets were paved with gold That was the mistaken notion of many an immigrant to the United States

in the late 1800s and early 1900s On Long Island deluded sojourners from Italy were to find that in fact there were few streets and that they themselves were to be the ones to build them Covering more than a century of history Long Island Italians depicts the transition of urban Italians as they moved increasingly from the city to the suburbs in N About the Author Salvatore J LaGumina director of the Center for Italian American Studies at Nassau Community College is a recognized authority on Italian American history and the author of numerous books and articles on the subject Combining his wealth of k
