down and reviewing port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and youll get back a bunch of portmanteaux created by jamming Viking Women: The Narrative Voice in Woven Tapestries:

1 of 1 review helpful Breaks new ground By Customer Norman s dissertation brings new light to an otherwise understudied topic With lucid prose she deals with both technique and style as well as bringing a new depth to gender interpretations of early medieval textiles In particular her interpretation of the enigmatic Overhogdal tapestry is the finest to date This book is to be highly recommended At first glance several literary portrayals of Viking Age women represent them as kings as warriors and as inciters of violence which seems to contradict the image of the passive housebound female figure However those images need to be read and re interpreted with a measured critical suspicion For example several scholars have argued that those images tell little about the real history of Scandinavian and European women but instead represent fantasies expressed
