0 of 0 review helpful A great family story By MR PHILIP J RAMSTAD Thoughtful and interesting story of the author's quest for family history Will be helpful to others interested in how to explore their own family story Also sheds light on the Norwegian immigrant story in the 19th and early 20th century 0 of 0 review helpful I highly recommend Especially for anyone interested in family roo imparts evanescent visions of oceans crossed and lands traversed from the late 1800s and grounds the reader to the present time Beginning in Norway and culminating in Canada a lovingly crafted outline of the author's rich family history more than the record of an heirloom or a family tree the reconstruction of the story of a family rooted and established in love sharing an unshakeable faith and reaping the blessing of a clan that has spanned centuries
