find great deals on ebay for world war 2 books and pearl harbor books shop with confidence north american aviation p 51 mustang was an american long range single seat fighter and fighter bomber used during world war ii the korean war and other Italian Aces of World War 2 (Osprey Aircraft of the Aces No 34):

0 of 0 review helpful A good overview By panther This book is worth buying just because of its unique subject but it has good and bad aspects First the good The book gives very good chapters on the Italian fighters war over all The

fighter units war service and the overview of the aces in two more chapters The bad There was no info on the aircraft at all armament performance etc which in my option was ne Flying aircraft such as the Macchi 200 202 Fiat G 50 and biplane Fiat CR 42 the Italian fighter pilots were recognised by their Allied counterparts as brave opponents blessed with sound flying abilities but employing under gunned and underpowered equipment Following the Italian surrender in September 1943 a number of aces continued to take the fight to the Allies as part of the Luftwaffe run ANR which was equipped with far more potent equipment such as the Bf 109G From the Publisher Osprey s Aircraft of the Aces series combines full colour artwork the best archival contemporary photography and first hand accounts from aces to bring history s greatest airborne conflicts to life About the Aut
