9 of 9 review helpful Viking Warrior Viking Hersir 793 1066 By Styrbjorn This book has some good illustrations for re enactors to make replica weapons but you should know that this is just a re release of Osprey's Viking Hersir 793

1066 AD This release has a different title and different cover so I was misled into buying it again but I am returning it If you don t have Viking Hersir I suggest you get this book It This work goes beyond the myths and legends to explore the reality of who the Viking warriors were how they fought and how they lived There are chapters on museum collections and collecting Viking artefacts From the Publisher The Bringing History to Life collection is made up of Osprey s all time favourite titles re released with striking new covers selected titles also include visitor information sections About the Author
