Scandinavia By Will Great starting reference on the subject of post viking Scandinavian armies The book really  
highlights how the earlier viking ideas impacted the development of Scandinavia armies and military tactics It

particularly highlights how Scandinavia While Scandinavia's Viking Age is one of the most studied aspects of early medieval history much less has been published about the centuries that followed Yet the armies of Sweden Norway and Denmark offer fascinating differences from the rest of medieval Western Europe both in their organisation and their war gear due partly to their remoteness climate and terrain but partly to their long freedom from the feudal system of other kingdoms This book explains the Wargamers modellers and historians can all find something to appeal to their particular Interest From the Publisher Packed with specially commissioned artwork maps and diagrams the Men at Arms series is an unrivalled i
