Families Who Made Rome: A History and a Guide:

0 of 0 review helpful A treasure in itself and extremely useful while in Rome By Carol H Johnson Majanlahti s book is one of the best guidebooks I ve used for any city I ve lived in Rome for over a month each year for the past two decades but there is still a great deal to learn about and enjoy of this astonishing city His book is a marvel of organization his writing is clear warm engaging and best of all is caref Rome is famous for its buildings and architecture but just who built its noted and beautiful structures This distinctive account part history and part travel guide explores the families and individuals who built Rome from the ground up Each of the districts dominated by the fabulously rich families of the Popes including the Colonna della Rovere Farnese Borghese Barberini and others are explored and paired with a vivid accou An intriguing and original book even the armchair tourist can benefit Tim Blanning Sunday Telegraph Elegant and informative an entertaining mix of travelogue and history we flit agreeably through the chequered history of the papacy Charle
