1 of 3 review helpful School Book By Clement J Papineau Doing a paper on the Winter War for my Masters in Military History This book provided necessary information and is a great addition to my library 2 of 6 review helpful The Mannerheim Line 1920 39 Finnish Fortifications of the Winter War Fortress By C LaMarche This book was another fine addition to my Russo F In the wake of the bloody civil war that followed Finland's independence from Russia in 1917 the border between the two countries was established across the Karelian Isthmus an area long fought over by Russia Finland and Sweden in their attempts to dominate the northern tip of Europe Neither the Soviets nor the Finnish were comfortable with such a divide which provided an open route for a potential invader to Helsinki on the Finnish side and was only 32km from it " This interesting book by an author well familiar with the subject is recommended to those interested in 20th century fortifications " Bolling Smith Coast Defense Journal March 2010 " This is the only book in English devoted to it
