Places: Travels Through Forgotten Italy (Tauris Parke Paperbacks):

1 of 1 review helpful Brilliant if repetitive By David Ireland This is interesting for several reasons It s not the literary DH Lawrence you may be used to but a somewhat more eccentric person traveling in a setting he probably believed was under appreciated by the lumpen masses Bear in mind this is the mid 1920s so Tuscany at that time was hardly the sun kissed la bella vita of today s tourist trade It was tough to ge The Etruscan civilization which flourished from the eight until the fifth centuries BC in what is now Tuscany is one of the most fascinating and mysterious in history An uninhibited elemental people the Etruscans enthralled D H Lawrence who craved their old wisdom the secret of their vivacity and love of life The exhilaration of Lawrence in his Etruscan adventures stands in stark contrast to his intimations of the darkness of Mussolini s Italy at a t He wrote something like three dozen books of which even the worst page dances with life that could be mistaken for no other man s while the best are admitted even by those who hate him to be unsurpassed Catherine Carswell Time and Tide He is an ex
