Italian Rapier Combat: Ridolfo Capo Ferro's 'Gran Simulacro':

3 of 3 review helpful italian rapier combat By silatman Just freakin incredibile the whole thing has been translated in such a way as to make the whole text perfectly clear and still retains the flavour of the original instruction seems very old but understandable Like reading a historical text in old english without the slow disemation from old to new english A monumental work by an outstanding author My highest rec This beautifully illustrated and detailed book presents one of the world's most influential fencing treatises Ridolfo Capo Ferro was a legend in his own lifetime and his intricate and exact instructions were copied and emulated throughout a Europe bewitched by this Italian's grace and style The manual illustrated with 43 striking illustrations gives a very real flavour of the panache of this expert in swordsmanship and mastery of that most lethal of weapons th About the Author Ridolpho Capo Ferro was a legend in his own lifetime and his intricate and exact instructions were copied and emulated throughout a Europe bewitched by this Italian's grace and style
