**By Peter Ohlin : Wordless Secrets: Ingmar Bergman's Persona: Modernist Crisis & Canonical Status (Studies in Nordic Literature and Film)** Wordless Secrets: Ingmar Bergman's Persona: Modernist Crisis & Canonical Status (Studies in Nordic Literature and Film):

Ingmar Bergman's film Persona 1966 is considered both one of his greatest masterpieces and his most enigmatic and abstract film. The highly influential film achieved global critical acclaim and has been the subject of numerous studies and interpretations. Wordless Secrets is a groundbreaking new study of Persona. It asserts that the essential Swedish context of the film has been overlooked by Bergman's international audience, which has mistakenly preferred to focus on About the Author. Peter Ohlin is Professor Emeritus at McGill University, Montreal, Canada. He has post-graduate degrees from Stockholm University and the University of New Mexico. In addition to many essays on Ingmar Bergman's films, he has published on James Ag
